

Removal of goods from the hostels (2015/2016), (2016/2017), (2017/2018), (2018/2019)

Since the examinations of the students of the Sabaragamuwa University of Sri Lanka will be commenced in due course, students are being allowed to remove their belongings from the respective hostels, considering their occasional requests subject to the following conditions.

1. Only the relevant student will be allowed to enter the respective hostel.
2. Students should only arrive within the given date and time to collect their goods and must leave the University premises and hostel immediately upon the removal of the goods.
3. Proper health precautionary should be followed when visiting the hostel and if there is a suspicion of illness, you will not be allowed to enter the hostel.
4. The dates of re-assignment to hostels will be informed in the future, considering the current situation in the country and the University.
5. The students must support the staff and the security staff of the University during all the activities and must maintain the proper social distance.
6. All students must bring their University Identity Card / Record Book.
7. Respective **male students** must first visit for the **main entrance of the Sinharaja boys' hostel** to check the body temperature while all the respective **female students** must visit first to the **main entrance of the University** for the Same Precautionary Steps. Those who refuse to participate to the test or does not obey to health and safety precautions will not entered.
